

Class 3 News

Welcome back to the Summer Term in our beautiful new School. We were sad to leave Broadway East, which held a lot of memories for both the children and staff. However, we are all excited to enjoy the fantastic new space we have at Havannah First School and all of the opportunities it will no doubt bring.

It was lovely to speak to you all at Parents'/Carers Evening before the holidays and we would like to thank you for all of your positive comments and ongoing support. Coming back to school with the fabulous Class 3 never fails to raise our spirits and we will do our best to support the children to find their feet and feel confident moving around our new school building.

We have an exciting new Topic "What is it like living in Kenya?" More details about this topic can be found with the attached curriculum information.

We will continue to change the children's reading books on a Wednesday and Thursday. Please ensure that you have signed the reading record, so that we know your child has read their books. Please also make sure your child has their books in school everyday, for our daily reading time.

PE

Our PE days continue to be on a Wednesday and Thursday. Wednesday is our lesson with Lewis from Newcastle United Foundation. and on Thursdays we will be focusing on Athletic skills through Team Games. Please ensure that your child has a named PE kit including trainers or plimsolls in school.

The photos below are a snapshot from last term. We were particularly proud of the children during their trip to Woodhorn Colliery. They represented our school very well indeed and loved learning about the life of a coal miner. Please follow us on Twitter to see more photos like these. We are @Class3HFS

This year, the statutory end of Key Stage 1 SATs will be going ahead as they last did two years ago. We will commence the Year 2 SATs in school the week beginning the 16th May and will do them over the last two weeks of the half term. We will ensure that the children are comfortable and supported during this time, with plenty of brain breaks. Year 2s will be completing both a maths paper and a reading comprehension. We will also be using teacher assessment to assess children's writing. Please see the information for parents about Key Stage 1 SATs which we will send out via Parent Mail. If you have any questions about any of the information then please get in touch. There are lots of past papers that you can look at by copying this link: <https://www.sats-papers.co.uk/ks1-sats-papers/> The Year 1 Phonics Screen will also go ahead at the beginning of June: more information to follow. If you have any questions or need any further information please do not hesitate to get in touch via e mail, telephone, or Seesaw.

Many Thanks

Sally McMillan
