

Class 6 News

Welcome to the second half of the Summer term for Class 6 at Havannah First School.

We had a great time last half term, learning and making progress in our exciting new building. We love the bright and airy nature of the corridors and the huge windows around us, including in our classroom. The children have quickly got used to the new routes into the building and the new ways of moving around, including going up and down the stairs several times a day! We are now experts at this!

The coming half term includes lots of events, including transition activities for the Year 4 children as they prepare to move to GEMS. These will be communicated to you separately. All the children will be involved in an assembly to which you are invited —see elsewhere in this newsletter for information about these exciting events.

I hope this newsletter answers any queries that you have, but please do get in touch if you have any questions or concerns.

With best wishes, Katharine McMeekan

Reading books can be changed on any day of the week, at the beginning or the end of the day. The children can do this independently and just need to check with me that it is a suitable time to do this. Mrs Francisco and Mrs Franklin will hear some children read each week, but please continue to hear your child read at home too. Planners should be in school EVERY DAY, especially on Fridays.

IMPORTANT! This is your golden ticket!

You are invited to either:

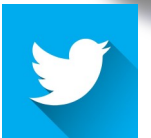

Year 3 assembly— Wednesday 15th June at 9:15.

OR

Year 4 Leavers' assembly— Thursday 21st July at 9:15.

Preparations are underway and we are looking forward to you joining us on one of these days.

We all really enjoyed our first half term on our new site. The photos below show some of the activities that we did as we learned together across the curriculum. Please follow us on Twitter to see more photos like these. We are @Class6HFS.

Mr Joshua Burn, a PGCE trainee teacher from Northumbria University, will continue working with us this term, until 24th June. The children are enjoying learning with Mr Burn and are sorry to hear that he is leaving us in a few weeks. We wish him lots of luck in his career.
