Relocation Plans

There is an update on the building below and some new photographs which I hope that you will enjoy. However, I wanted to put some information at the beginning of the newsletter to make sure that everyone is up to date with the planned timeline. **Work on the building is on schedule and therefore we expect the work to be finished before Easter and for us to relocate at for the beginning of the summer term 2022.**

Last term we asked all parents and carers for information about transport needs for the summer term and we passed all of your responses back to the City Council for consideration in their planning. I will keep you up to date with any news regarding transport support and who will be included in these plans.

We have started the School Travel Plan with support from the City Council and I will let you know how you can help with this process in due course. I am aware that some of you have asked some important questions about paths, cycle routes and getting to the new site – these have not been forgotten!

New School Logo

As you know, we have been very busy with the school design team and our graphic Designer. We made a decision to keep the sun on our logo so that we take some of Broadway East with us into our new future and we shared this information with you last year. After much discussion and tweaking, I am delighted to be able to share with you our new logo...

We are now in the process of discussing the logo with our uniform supplier and we will share details of changes to the uniform as soon as we have confirmed colours, items and prices. As mentioned several times already, our current uniform/logo can be worn in the new school until it is worn out and can be handed down to younger siblings too.

Parents and Carers' Evenings

Thank you to everyone for attending Parents/Carers' evenings last week. We are delighted to have been able to meet with you face-to-face and share with you the information about children's learning and progress. Thanks also for your support with the additional safety measures which we put in place to keep everyone safe.

Children in Need

Thank you to everyone for dressing up in their own clothes today and making a special effort to wear Pudsey spots! We had a special visitor to school – I wonder if the children can tell you about this at home...

We will let you know how much we have raised soon. Thank you for your support.

Key Stage 1 Reading Support

Thank you to those who have contacted us to volunteer to read with children in school. Mrs Lancaster will be in touch with you next week to complete paperwork and DBS checks.

New Build Update

Miss Storey made her first visit to the site on Friday. As you can see, she was very excited to see the progress, especially the Reception 'wing' which is pictured below.!

Have a lovely weekend everyone!

Best wishes
