

# Class 2 News

Dear Parents and Carers,

I can't quite believe I am now writing the final class newsletter for the year! We had a fantastic first half term at Havannah First School and I am so proud of how well the children have adjusted to their new school. We have seen fantastic art work, super maths, great team work and wonderful progress in reading and writing. I am incredibly proud of each and every one of our class and have a fun-filled final half term in year 1 planned for us all.

## PE

Our PE days will stay the same as last half term, so they are Wednesday and Friday. As always, children should leave their PE kits in school. Please make sure that everything is clearly named, including PE bags. Thank you.

Please remember that we are happy to talk to you at home time or to give you call back if there is something you would like to discuss.

Best wishes,

Mrs Jones, Mrs Rawling and Mrs Sutton

## Class Assembly

Please save the date (if you haven't already!) for our class Assembly:

Tuesday 28th June at 9.15am

We hope to see you there!

## Phonics & Reading

Thank you for your ongoing support with phonics and reading at home. The children have completed their phonics screening check this week and should all be incredibly proud of themselves and the hard work they have put in all year! Please continue to hear your child read at home and celebrate the progress they are all making!

## Topic

Our new topic is about our local area. We are learning to spot human and physical features and to spot rural and urban areas. You could upload a photograph to Seesaw and let us know what you have found when out and about in the local area!
