We are looking for two new Teaching Assistants to join our school family. This is a temporary contract (until July 2023) with a view to becoming permanent. The successful candidate will initially work in either Key Stage 1 or Key Stage 2 to provide support to children. Please state your preference and your relevant experience in your application. Experience of successfully supporting learning and working as part of a team in an education setting is essential to this post.

We can offer a very happy place to work with supportive colleagues, fantastic children and high job satisfaction. We will provide up to date training for first aid, safeguarding and other areas, as appropriate. In the summer term of 2022, we relocated to a new site and a brand new, state of the art building and grounds. Previously, we were Broadway East First School. Following the relocation, we are in the process of gradually expanding the size of the school, eventually to three form entry, to meet the needs of the growing population on the Great Park. This is a great opportunity for someone who wants to join us on this exciting journey and be part of our continued success.

We are committed to safeguarding and promoting the welfare of children and young people. An enhanced DBS check is required for the successful applicant.

As this post involves working with children, vulnerable adults or dealing with sensitive information, written references will be taken up and made available to interviewers before the final selection stage; even if you indicate otherwise.

Please apply by email (admin@havannah.newcastle.sch.uk) using the information and forms on the website www.havannah.newcastle.sch.uk/web
