

ENGLISH

Play Scripts

During this topic, children will be looking at a variety of play scripts and explore the structure of these by changing direct speech from Roald Dahl's Revolting Rhymes into a script to perform.

Recounts

During this topic, we will be exploring our recount unit in the form of letter writing. Children will look at a variety of different letters and discuss the common features. They will then write their own letters about a cause that the children care about.

Poetry to Perform

During this topic, children will be reading and performing a variety of different poems. They will discuss techniques from Roald Dahl's Revolting Rhymes to develop their own poetry skills.

Deers Autumn Term 2

History

Who first lived in Britain?

In History this half term, we will be learning about the first people who lived in Britain, exploring the changes that occurred from the Stone Age up to the Iron Age. We will look at the historical sources of evidence that are available from this period and evaluate their limitations.

SCIENCE

Rocks

In Science this half term, we will identify igneous, sedimentary and metamorphic rocks. When we have a clear understanding of the three rock types, we will be developing our understanding of how they are formed. We will also investigate how rocks are crucial in the formation of soil. Finally, we will be learning about Mary Anning and the impact she made in the world of palaeontology.

MATHS

Continuing addition and subtraction unit for week 1

Multiplication and Division

- Multiplication – equal groups
- Use arrays
- Multiples of 2
- Multiples of 5 and 10
- Sharing and grouping
- Multiply by 3
- Divide by 3
- The 3 times-table
- Multiply by 4
- Divide by 4
- The 4 times-table
- Multiply by 8
- Divide by 8
- The 8 times-table
- The 2, 4 and 8 times-tables

COMPUTING

Coding – Code.org – Course C

In Computing this half term, the children will develop an understanding of algorithms and how to debug identified errors through activities on the website www.Code.org.

P.E.

Gymnastics (Apparatus) and Dance

In P.E. this half term, we will be continuing to practice our gymnastics skills, taking movements onto apparatus. In Dance, we will tell a story by sequencing movements, based on 'Charlie and the Chocolate' by Roald Dahl.

RE

The Person of Jesus

In RE this half term, we will be looking at how Jesus has been represented over the years. We will be discussing what sort of person Jesus was by examining representations of him in the Bible.

MUSIC

Ukulele/Using Notation

In Music this half term, we will be continuing to develop our ukulele skills with Mr Rudkin from the Newcastle Music Service.

PSHE

Celebrating Differences

In PSHE this half term, we will be thinking about what makes all families different yet special. We will also discuss what bullying means and explore what we would do if we were a witness to bullying.

SPANISH

Christmas in Spain

We will practise our existing knowledge of numbers as well as extend this further. We will begin to learn some of the Spanish alphabet and practise our dictionary skills to look up unfamiliar Spanish words. We will also research some Christmas traditions in Spain.

Design and Technology

Mechanical Systems and Textiles

In D.T. this half term, we will be learning skills to help design and make a cushion, decorating it with cross stitch and applique.
We will also be using a range of different materials to construct a small castle, developing our problem-solving and teamwork skills as we go!
